

HENRY L. BABCOCK

May 16, 1942

Dear Nick

Of course you don't know me and wonder how I know your name. Well a Miss Julia Scott is my "Bryant Big Sister" and she mentioned in her letter that you were chairman of the Bryant Service Club.

Nick, would you please express my sincerest thanks to the Club for the cigarettes they sent me?

The little card enclosed in the package asked me to let you know if you had my address correct. The address that you have was correct until yesterday when it was changed to:

Sgt. Henry Babcock

Hq + Hq Sgdn

Prov. Serv. Sp.

Army Air Base

Fort Dix, N.J.

Again may I say thanks and also offer my congratulations to the

Bryant Students for their usual
generosity and kindness.

Sincerely
Henry Babcock
